

HUB INTERNATIONAL

MASSACHUSETTS LODGING ASSOCIATION PROGRAM

HUB International New England and The Massachusetts Lodging Association (MLA) have partnered to offer property and casualty insurance products and services to all MLA members. Through this partnership, MLA members will receive the following benefits:

- **Specific insurance expertise in the hospitality and lodging industry, for members of all size and geographic location.**
- **Clout with insurance carriers that specialize in the hospitality and lodging industry**
- **A dedicated team of HUB specialists for day-to-day assistance with your insurance needs**
- **A specific “Risk Assessment and Analysis” for each member to allow you to assess your exact insurance and risk management requirements**
- **Workers Compensation services**
- **Support on claims and risk management services**
- **Educational seminars and industry information and experience modification review**

Hub International Limited is a leading North American insurance brokerage that provides a broad array of property and casualty, life and health, employee benefits, investment and risk management products and services through offices located in the United States and Canada.
